Proud to partner

One hundred percent of the proceeds from this event will be used to support Montana students in their pursuit of higher education. As a 501(c)(3) nonprofit organization, Student Assistance Foundation's courageous goal is for Montana to be a place where education is within reach of all Montanans, regardless of their economic status. Your support of this golf tournament will provide funds for educational scholarships, access to high-quality, online career exploration and one-on-one assistance for students and parents to dream, plan and pursue higher education.

## Welcome to the Fifth Annual Student Assistance Foundation Golf Scramble!

It's hard to believe this August will mark the fifth time nonprofit Student Assistance Foundation (SAF) has invited its friends to hit the links and raise funds for Circle of Succe\$\$ Grants. I could go on at length about how these grants – supported by SAF employee contributions and proceeds from the golf scramble – help Montana students reach their goals of higher education. But I won't. The students who benefit from these funds say it so much better!

*"This award will help me by giving me a chance to prove to myself and to my children that I can make something of myself. (This grant) makes it so I don't have to worry if the bills are paid or if I have enough gas to make it to and from the college." - Jennifer Wooden Legs, Lame Deer, 2009 grant recipient*

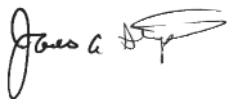

*"Growing up in a single parent household, my mother showed me the value of a postsecondary education. I feel that with aid I can go forward, debt free, as a productive graduate, and help the community that I love."*

*- Tess Hatfield, Billings, 2008 grant recipient*

*"I cannot express my gratitude for being awarded this grant. I can officially say that hard work does pay off and this is a good example."*

*- Jessica Smith, Alberton, 2007 grant recipient*

At SAF, we are encouraged and rewarded by the stories of the students we have assisted through the Circle of Succe\$\$ program and hope you will be too. Our goal is to provide at least one, \$1,000 scholarship to a student in need in each of Montana's 56 counties. Your generous donations and participation in our golf event will go a long way to helping us reach as many students as possible. Thank you for your ongoing support of SAF's mission and Montana students.
