

#weCUgrads Photo Template Instructions

The following link will allow you to edit a template in Canva: <https://bit.ly/weCUgradsphoto>

If you do not have the paid version of Canva, then you will need to purchase the rights to the graduation cap image in the first template OR find and replace with a free version.

- On the main landing page, click "Use Template"
- You will need to login to your personal Canva account
- Begin editing the templates with your own senior details. The template should save as a copy in your Canva account. Once the template is saved in your account, you will no longer need the link to access.
- Feel free to send the template link to other Credit Unions for participation
