

# Password Change for mcun.coop/members

After 9 a.m. on Tuesday, you will be directed to change your password the first time you try to access a members-only page on our website. You will be redirected to the screen below.

**MCUN**

**Login**

**Username**

**Password**

Remember My Login

[Forgot your password?](#)

**1**  
Make sure your user name is your work email address

**2** Click on “Forgot your password” to start the process. The system will send a link to your email address. Follow the instructions to reset your password.

**3** If your password has been successfully changed, you will see the following (and be logged in to our website). **Click on “Return to Application”** and you will be automatically redirected back to the page you tried to access.

Weblink Connect

**Reset your password**

The password has been changed.
