

Montana Credit Unions HYPE Community

Mission Statement: The Montana Credit Union Young Professionals (the HYPE) is an active community of professionals who are around 40 or younger and working in one of our state's credit unions. Their focus is to advocate, educate, and facilitate the growth of YP's in the credit union movement.

The HYPE Committee consists of seven rising leaders from various parts of the state who work together to help bring our mission statement to life. They meet on a regular basis to advocate, educate, and facilitate on behalf of all credit union young professionals in the state of Montana. Annually they plan the HYPE Workshop, oversee the fall fundraising event at the fall Be conference, and assist with facilitating the HYPE track at the Be conferences.

We are looking for motivated, passionate individuals to serve on our committee – is that you?
